

A modern interior space with a large indoor tree in the center. To the left, there is a staircase with wooden steps and a white railing. A person in a dark shirt and light skirt stands near the base of the tree. The walls are white and feature several small, dark, circular objects. The overall atmosphere is clean and bright.

Transforming Spaces, Protecting Lives

The Future of Indoor Wellness with Puradigm

Leading the Way in Clean Air & Surfaces

Clean air and pristine surfaces are vital for a healthier, better quality of life.

Delivering proven, industry-leading products focused on health and wellness.

Rigorously tested in labs and real-world settings to ensure:

- Active
- Effective
- Scalable
- Safe

Our Objectives

Creating Safer, Healthier Environments

Significantly reduce viruses, bacteria, mold, VOCs, COVID-19 and odors.

Minimize outbreak risks and cross-contamination.

Decrease reliance on chemicals in your operations.

Foster a healthier space for staff, customers, and residents.

Puradigm HOME & HOME+ Pure Protection for Your Home

- **Made for Everyday Homes**
Works in houses, apartments, and garages—protects against COVID-19, germs, mold, and chemical odors.
- **Always-On Protection**
Releases safe, natural particles that clean the air and surfaces continuously—even when people and pets are around.
- **Quick at Fighting COVID-19**
Tests show it leaves COVID-19 undetectable on surfaces within 24 hours and cleans air fast.
- **Quiet & Affordable**
Runs quietly and costs less than a few cents a day. Easy to control and maintain.
- **Lab-Tested & Trusted**
Proven safe and effective by universities and labs to eliminate over 99% of COVID-19 and other common germs.

Why Choose Puradigm?

Four Key Benefits

1

IMPROVE INDOOR
AIR QUALITY (IAQ)

2

ENHANCE
HEALTHCARE
SAFETY

3

BOOST FOOD
SAFETY
STANDARDS

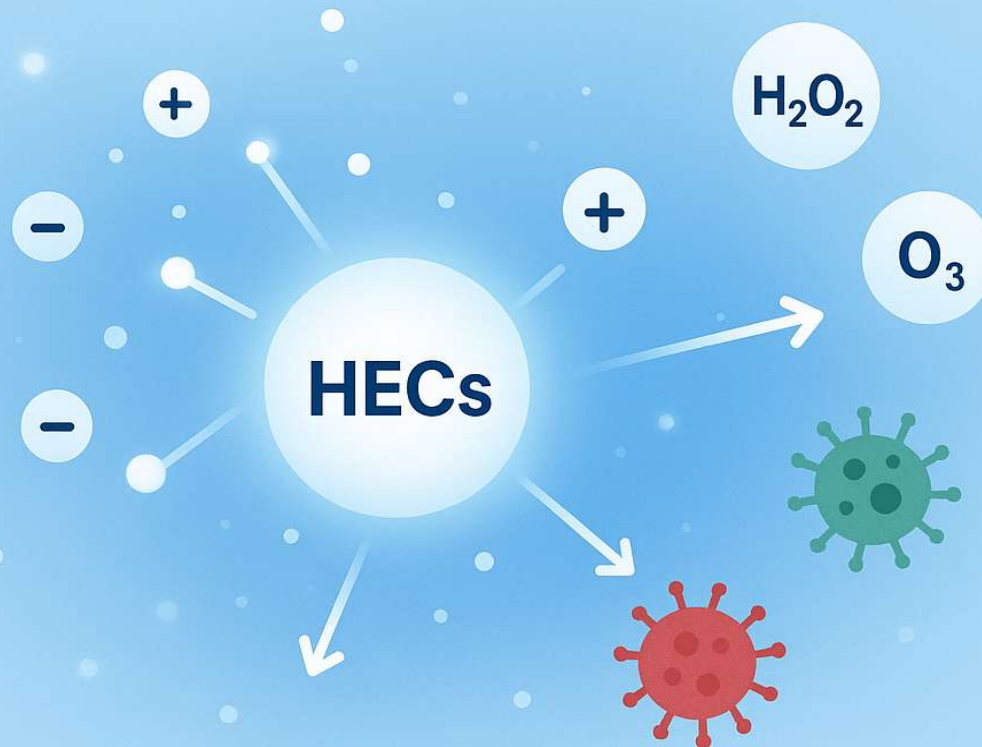

4

SUPPORT INDOOR
GROWING &
GREENHOUSE
ENVIRONMENTS

HARNESSING ADVANCED TECHNOLOGY

HOW IT WORKS

- Emits High Energy Clusters (HECs) of bipolar ions and advanced oxidizers
- Continuous reactions attack airborne and surface pathogens
- Active, scalable, and safe—operating 24/7

Where Does It Work?

Versatile Solutions for Multiple Markets

Food Safety

From farm to fork—packaging, production, transport, storage, restaurants, and retail.

Indoor Grow

Greenhouses, grow rooms, seedling storage, and drying chambers.

Healthcare

Hospitals, clinics, assisted living, dental, labs, rehab centers.

Athletic & Recreation

Gyms, clubs, locker rooms, kids' centers.

Expanding Our Reach

Creating Safer Spaces Everywhere

Controls bacteria, mold, VOCs, and odors—reducing sickness and absenteeism.

Ensures cleaner, safer environments for staff and customers.

Key markets include hospitality, education, government, and residential.

What Sets Puradigm Apart?

The Next Generation of Pathogen Control

- **Active Defense:** Unlike passive filters, Puradigm actively destroys pathogens in real-time.
- **Safe & Scalable:** Suitable for any size, safe for continuous use.
- **Innovative Technology:** Patented enhancements produce high-energy reactions attacking pathogens and VOCs.
- Produces both positive and negative ions, plus safe levels of ozone and hydrogen peroxide.
- Available in HVAC and standalone units—your 24/7 pathogen control solution.
